Enjoy community activities and neighborly assistance from volunteers

Members live in apartments and houses in the Cleveland Park and Woodley Park neighborhoods. They range in age from 54 to 98 and some members are also volunteers!

Our members benefit from volunteers who provide:

- household and yard tasks
- social visits
- computer and cell phone assistance
- rides to doctors, shopping, and more

Together, members and volunteers enjoy social activities and outings and new friendships. Call us to talk about becoming a member.

Most people prefer to stay in their own homes, but practical difficulties may arise and social connections may diminish. Villages are being created across the country to address these challenges and build community ties. We are neighbors helping neighbors!
